Dear Members,

The Tentative National Agreement between the IBEW and the NCCC has been sent out to all of our members, if the membership passes the contract we could sign the contract by February 1st. The carrier has sixty days to get us our back pay and the 1% (\$500). The health insurance is explained in the packet you received in the mail, if anyone has questions about the insurance please call me.

The Holiday sheets are up at the shop & coal trains for everyone to see, any questions let me know.

Reminder to all overtime callers and overtime takers, you are ineligible the week end before and after your week vacation. If you are called let me know or the caller know that you are ineligible.

I wish everyone a Merry Christmas and Happy New Year.

If any of you have any questions please call me.

Thank You
